

Make a Bucket List

THINGS TO DO AS SOON AS YOU GET INTO YOUR CRUISE CABIN

1 Take a Photo or Video of Your Cabin
Capture your cabin at its tidiest to look back on and share memories.

2 Get Used to the Cabin Layout
Find everything and check storage, sockets, extras and where things are.

3 Check that Everything Works
Test the doors, TV, toilet, AC, bed comfort and all plugs / sockets.

4 Use Anti-Bacterial Wipes to Sanitise Your Cabin
Wipe key areas for extra peace of mind and a fresher start.

5 Unpack Your Suitcases and Hang Up Your Clothes
Unpack so you have everything you need and can relax and explore.

6 Put Away Any Valuables in The Safe
Store money, passports, jewellery and electronics in the in-room safe for peace of mind.

7 Meet Your Cabin Attendant
Say hello, confirm cleaning times and let them know if you need anything.

8 Read Over Any Information or Leaflets in Your Cabin
Check safety info, leaflets, excursion details and other important notices.

9 Download the Cruise Line App
Access schedules, book shows, view menus and stay informed throughout your cruise.

10 Put Your Phone on Airplane Mode
Avoid roaming charges and enjoy a break from constant connectivity.

11 Activate Your Wi-Fi Package
Get online as soon as possible so you can stay connected with ease.

12 Change Clothes and Freshen Up
Freshen up and get ready to enjoy your cruise adventures.

13 Check Out the Entertainment Planner
See what's on, plan your day and discover the best shows and activities.

14 Decorate Your Cabin Door
Add magnets or decorations to make your door unique and easy to find.

15 Make Use of The Mini Fridge
Store drinks and snacks in the mini fridge and keep them cool.

16 Book Entertainment and Restaurant Reservations
Reserve shows, dining, spa and other experiences before they fill up.

17 Take In the Views
Enjoy the view from your balcony and appreciate where you are.

Relax, explore and make unforgettable
